Since the App Store got ratings a few months ago, it's only a matter of time before the first Rated M game popped up. Well, that time is now.

**Adult Swim Amateur Surgeon:** The folks at Adult Swim are to thank for the first Rated M iPhone game, featuring the following: Frequent/Intense Mature/Suggestive Themes; Infrequent/Mild Horror/Fear Themes; Frequent/Intense Profanity or Crude Humor; Frequent/Intense Cartoon or Fantasy Violence; Infrequent/Mild Sexual Content or Nudity; Infrequent/Mild Realistic Violence; Infrequent/Mild Alcohol, Tobacco or Drug Use or Reference. Oh, as for the game? It's like Operation, but with more blood and swearing. Enjoy! \$5.
